See the wonder and beauty of America through the eyes of European artists
in a unique Bicentennial exhibition, The European Vision of America, on view
at The Cleveland Museum of Art now through August 8. Four centuries of American
history are reflected in nearly 350 works of art from more than a dozen European
countries, the United States and Canada. Admission is free.

See what Time Magazine described as "probably the most entertaining Bicentennial exhibition in America" -- The European Vision of America -- now on view through August 8 at The Cleveland Museum of Art. The exhibition depicts America as it appeared to European artists through four centuries of exploration and development. It contains nearly 350 works of art, including rare early maps and books, paintings, drawings, tapestries, sculpture, and decorative objects in porcelain, silver and bronze. Don't miss this widely acclaimed exhibition, shown only in Washington, D.C., Cleveland and Paris.

Admission is free.

The European Vision of America, the widely acclaimed Bicentennial exhibition seen by more than 100,000 people at its opening in Washington, D.C., is now at The Cleveland Museum of Art. Including nearly 350 works of art, the exhibition depicts America as it was seen or imagined by European artists for almost 400 years -- from the landing of Columbus to the great immigrations of the 19th century. You won't want to miss this unique exhibition, on view at The Cleveland Museum of Art through August 8. Admission is free.
